[**] Term: **14 Years**

[57] CLAIM

The ornamental design for a portable battery operated air pump, as shown and described.

[21] Appl. No.: **71,251**

DESCRIPTION

[22] Filed: **May 27, 1997**

FIG. 1 is a front elevational view of the portable battery operated air pump of the present invention, showing our new design;
 FIG. 2 is a right side elevational view thereof;
 FIG. 3 is a rear elevational view thereof; and,
 FIG. 4 is a top elevational view thereof.
 A left side elevational view of the air pump is a mirror image of the right side elevational view of FIG. 2.
